Profile | GitHub | LinkedIn

SKILLS

React | Node | JavaScript | Tailwind CSS | Bootstrap | CSS | HTML

OBJECTIVES

A Front End Developer focused on learning and growing along with continuing to challenge me one step further, and do interesting things that matter. Prior experience in Mechanical engineering (4+ years) leading the team in production, and quality. Implementing lean tools like '5s', 'KAIZEN', etc. Experienced in directing activities in workgroups. This helped me develop Management, Design, Interpersonal, and Communication skills.
